A word from your officers

President Dan Jones

Welcome to 2020, a new year and a new decade of service to our Lord, Jesus Christ. Thank you for the faith you place in the Koinonia Riders officers in allowing us to lead this Chapter. As I contemplate our 2020 vision, no pun intended, I'm fully aware that we wouldn't get far in our mission without the leading and power of the Holy Spirit, and each of you and your prayerful support.

Many hands make light loads, and I can't imagine being in fellowship with a more dedicated, capable, and confident group of people. Jesus equips those whom He calls, so we can be confident of success as long as we are following Him. I am looking forward to serving with each of you this year to accomplish the vision of the Christian Motorcyclist Association, "Changing the world, one heart at a time", always remembering- It's ALL about Jesus!

Dan

Chaplain Eric Smith

Happy New Year!!
Wow, another decade and another year has passed. As you think back over that time, let me ask you a question... "How has God blessed you?" If we are honest, I bet that we take many of his blessings for granted. We forget to be thankful for the many (large and small) blessings that He has given us. But thankfully, His blessings don't stop when we take them for granted.

As we start 2020, let's make a New Year's Resolution together. Let's resolve to be more thankful. Thankful for both what He has given us and what He is going to do for us in the coming year. Colossians 4:2, "Devote yourselves to prayer, being watchful and thankful"
