A word from your officers.....

President Dan Jones

They say time flies when you're having fun. Well, I must have had a ball in January, because it seems like it just arrived and now it's already February. This month promises to be a bit busy. We have Seasons of Refreshing on the 7th & 8th, our Valentine's Banquet on the 15th, and all of our usual activities, as well as Officers having Officers Orientation on the first. Busy can be good, but let's not allow the business of our lives, even with CMA, Church, and family draw us completely away from time with our Lord and His Word. I read a book about a man called Brother Lawrence titled

"Practicing the Presence of God" or "The Practice of the Presence of God". Brother Lawrence learned to spend time with the Lord even on his busiest days. He simply always realized that God was with him and conversed with Him regularly, as one would in any normal conversation. I was richly blessed by reading the book and would recommend it to anyone wanting to develop a more intimate relationship with the Lord. It's fairly short and is an inexpensive book, and you can actually download it free from several websites. I hope you have a very blessed February!

Chaplain Eric Smith

The vision of CMA is, "Changing the world, one heart at a time." What an awesome vision, but the question is how do we meet this? Well, in my opinion, we do it through love. Love is talked about a lot in the New Testament. In fact, love is the key to letting others know that we are true disciples of Christ (John 13:34-35). Love is also the second greatest commandment (Matt 21:36-40). And if you read further, almost every book in the New Testament the authors talk about love. If love is so important, then the question becomes, "How do we love?" Love isn't all about hearts and chocolate and flowers and romance on Valentine's Day (yes, those things are nice and my wife does like them). Love is an action. Love is serving coffee to bikers on a cold winter morning. Love is providing a shoulder to cry on in times of sadness. Love is meeting the needs of others. I could go on and on, but you get the point.

Love ya'll - Eric
