ELECTION DAY NOVEMBER 3, 2020

Words from our Officers

This past month has been a great month. The first half of the month, our chapter has been involved in many different activities that support Run for the Son. While the end of October concluded with Changing of the Colors Rally and the 45th birthday of CMA-USA.

For those of you who didn't make it to Changing of the Colors this year, I would like to share some of the take-aways that I got from my time on the mountain. If you ask someone else, they may have gotten some totally different messages, but that is ok. God speaks to each of us exactly what we need to hear when we need to hear it.

1. 2 out of 3 people in America claim to be Christians. But how many of them are true Followers of Christ? There is a difference between a Follower and a Christian in today's culture.
2. In order to receive God's blessings, there must first be active obedience.
3. When you know what God's word says, don't let someone else tell you something that contradicts it.
4. The best "argument" for Christianity is to let our actions speak instead of our words.
5. As a member of CMA, I should be an active Follower of Christ. When someone sees my backpatch they should say to themselves, "There goes a child of God."
6. Stop worrying about what people think and worry about what God thinks.
7. When our chapter only does "fellowship" and not minister to the motorcycling community, we are only hurting the lost.

What was very cool, and a God thing, was that each of the speakers didn't know what the other was going to talk about; however, each message fit together great. So much good stuff.

For those that couldn't make it, I would encourage you to go to the online goodie store and buy the DVDs to listen to. I promise you won't regret it.

Have a great month and see you on the road – Eric Smith, Chaplain
