Words from our Officers

December 2020 Newsletter article

Dan Jones

Well, I suppose this will be my last article as President of the Koinonia Riders. Rebecca and I joined CMA and Koinonia Riders in January 2009 after attending Chapter meetings for several months. Ken Copeland was Chapter President, Joe Jones was Vice-President, Fred Himstedt was Secretary, Valerie Callaway was Treasurer, Tracy Manire was Road Captain, and Becky Welch (now Vicknair) was Chaplain. A really great panel of Officers. We really enjoyed 2009; not too much stress as we were learning the ropes and mission of CMA. In 2010 I was elected Chapter Vice-President and served as an officer in some capacity since then with the exception of 2016. I think God had a hand in me skipping 2016. That was the year I had a rather difficult foot surgery, emergency eye surgery, and my brother passed away, so I needed a little time off. From 2010 through this year I have been blessed to serve with the officers and members of Koinonia Riders, and I believe we have a wonderful team of officers elected for 2021.

Through the years we have had the opportunity to minister and fellowship with some truly great friends and fellow CMA members. We've met people from other towns, cities, and other states at rallies and other CMA functions. Some have moved on, some have gone on to be with Jesus, and some are still here, but all are remembered as some of the best friends anyone could ever be blessed with. Though I'm moving on from serving as Chapter President, I don't plan on going anywhere. I plan on participating in events and ministry as before, and will try to help in any way I can. CMA is a lot like motorcycling, it just gets into your blood and life isn't the same without it. And there's nothing else as satisfying as riding with a group of like-minded believers who are out to "change the world one heart at a time". Please continue to pray for CMA leadership at the national, regional, state, area and local levels. I love each of you brothers and sisters in Christ and appreciate the support you've given over the years.

Riding on a Wing and a prayer,

Dan

Well, as Dan said above about President, this will be my last article as Chaplain of the Koinonia Riders. No, Chrisy and I aren't going anywhere, He has just called us into a new position in the chapter. Starting in January, we will be serving as the chapter President (I say we, because I believe that Chrisy and I are a team and I will be unable to fulfill my role without her support and help). I have greatly enjoyed and honored to serve as the chapter chaplain over the last two years. God has brought some incredible people and friends into our lives. And like I often say, these friends are often closer than family – they are the family that we get to choose.

As we start this month of December, I want to challenge each of you to reflect on three things...First, let's all reflect on what this past year. How have you grown in your relationship with Christ? If it hasn't grown, then I would challenge you to start making your relationship with our Savior a priority. There is nothing more important than our relationship with Him. Second, I want us to reflect on this season ... what does it really mean to each of us? In my small mind, the birth of Christ is only outdone by His death and resurrection. If He wouldn't have been born a man, then He wouldn't have been able to die for our sins. And finally, reflect on this upcoming year...what do you want to accomplish this next year and how will your accomplishments affect the kingdom of God?

Chrisy and I wish each of you a Merry Christmas and love ya'!!!
Riding to Glory – Eric
