CHRISTIAN MOTORCYCLISTS ASSOCIATION RUN FOR THE SON

WORDS

FROM KOINONIA RIDERS OFFICERS/ MEMBERS

President

A couple weeks ago the officers and some members attended our yearly planning meeting. It was a great time and lots was accomplished. I hope that ya'll like the year we have planned out for our chapter.

However, the most important this we did (in my opinion) outside of prayer and devotion, was the decision of our chapter mission statement. Our Koinonia Riders' Mission Statement is "No One Left Behind".

I think this is perfect. What a great way to minister to both those in our chapter and those outside our chapter. And did you know, that there is actually a verse in the Bible that talks about this? Look up 1 Thessalonians 5:11 in the Message.

After being in the KR group for a while now, I do see that many of us are very great at ministering to those inside our chapter. I have seen this chapter come together in mighty big ways to help each other out. And I am very glad for that. We see a need and we meet the need. We also spend time in Bible study and fellowship to help each other grown into the person our Father wants us to be. This is awesome.

What about outside the chapter? I would also say that we do good job of ministering to those outside the chapter. We go to lots of events and our presence is known around the community. This is a great thing.

Here is my question for each of us though ... "am I doing enough to make sure no one is left behind?" Am I being intentional in my daily walk to make sure I am ministering to those around me. If we truly don't want to see anyone left behind, we have to make sure we are doing our part to take them with us.

Have a wonderful month of March!!

Love ya'll—Eric

Vice President

With the crazy cold weather behind us and the beautiful warm days quickly approaching, we need to keep safety in mind as we start riding again. Before each ride yourself with the 'Full armor of God'. Check your bike tire tread, tire air pressure, breaks, and lights. Marlana is always reminds me to check all the nuts and bolts. We ride for many reasons, witness, fun, fellowship, the thrill and many other reasons. But the most important thing about our ride is to be safe.

Chaplain

I hope we have a good number of folks come to the March Bible Study at my house. Come around 6:15 to socialize; we will start at 7 and, at 8 have a short business meeting for the officers. In the study, we will read, then discuss, and analyze the story of Jesus defending the woman who was about to be stoned for alleged adultery. Remember: no one is beyond forgiveness. We have all sinned and Christ died on the cross to pay for our sins—past, current, and those in the future. For those who haven't found Christ, we need to tell the story! Amen!

Remember, we have been invited to attend Redeemer Bible Church in White Settlement next Sunday (March 7th) at 10:45. Meet at Brookshire's around 10 to ride to church. That night, we also will spend two hours riding to five locations in Weatherford to pray for various organizations. Meet at Albertsons around 4 p.m. After are ride, those who would like to go to dinner can.
